

RAJAT CHAUDHARY

SOFTWARE DEVELOPER & DATA ANALYST

Gaur Yamuna City, Gr. Noida | +91-9311675201 | chaudharyrajat653@gmail.com

PROFILE SUMMARY

Computer Science and Engineering undergraduate with strong foundations in software development and data analysis. Proficient in programming, problem-solving, and working with data-driven tools and technologies. Experienced in building scalable applications and deriving insights from data. Quick learner with a results-oriented mindset, seeking opportunities to contribute to innovative, real-world projects in a professional environment.

EDUCATION

Bachelor of technology in Computer Science and Engineering

Noida International University

2023-Present

(CGPA: 8.1)

PROJECT

Taxi fare dashboard in Power BI

- Developed an interactive Taxi Fare Dashboard in Power BI to analyse fare trends and trip performance insights.
- Cleaned and transformed raw data using Power Query to ensure accurate and reliable reporting.
- Created DAX measures and KPIs to track revenue, average fare, and peak demand patterns.

Business Analyst Dashboard in Power BI

- Developed an interactive Business Analyst Dashboard in Power BI to analyse business performance, trends, and key operational insights.
- Cleaned and transformed data using Power Query to ensure accurate, consistent, and reliable reporting outputs.
- Created DAX measures and KPIs to track revenue, growth trends, and overall business performance metrics.
